

## **Aims and Ethos of the Adcote Boarding Community**

Adcote Boarding, provides a 'home from home' and a safe space where they can live and learn. our school has a culture which is child-centred, safeguards our girl's wellbeing and is ambitious for the progress of every girl in our care. Monitoring and accountability is strong and adds value.

Adcote school provides a homely and welcoming environment in which boarders feel safe, secure, and comfortable, and where their privacy is respected. Boarders enjoy their accommodation and mealtimes and feel that their belongings and personal possessions are protected.

Boarders are supported and educated to understand their health needs, how to develop and maintain a healthy lifestyle and to make informed decisions about their own health.

Our Boarders' are safe in our boarding accommodation and when away from the school's premises. Effective measures are taken to manage safeguarding risks and protect our girls' from harm, and we manage any incidents that do occur, well.

Boarders are able to contact any member of staff with personal, academic or welfare concerns. All staff should know what to do if a boarder approaches them with a concern.
