

Aims and Ethos of the Adcote Boarding Community

The boarding house aims are set out below. These can be achieved if we work together to ensure we have a place that is a happy, safe and enjoyable place for us all to live in.

In boarding we aim to provide each child with an environment in which she can flourish, develop and fulfil her potential whilst being away from home.

The health, safety and well being of all children are of paramount importance to all the adults who work in the school.

All children have the right to protection, regardless of age, gender, race, culture or disability, ensuring a secure and stable environment.

We are committed to creating and maintaining an environment that discourages bullying and deals constructively with any instances that may occur.

We aim to promote an open and trusting ethos ensuring each child's right to privacy, dignity, independence and individuality.

We expect and maintain high standards of politeness and awareness of others but are aware of the occasional tensions in closed communities and treat outbursts in this light.
